

Title	Centre Assessment Report fourteenth round 2020
Version	2
Author(s)	Lene Offersgaard and CAC
Date	2020-03-24
Status	Approved by SCCTC, assessed centres and CAC.
Distribution	SCCTC
ID	CE-2020-1617

1 Summary

In the following we will report on the 14th B centre evaluation round which was carried out Oct 2019 – March 2020 (2 centres). This evaluation round uses the *CLARIN B Centre Checklist*¹ version 7.3.1.

The assessment committee will for each centre recommend if the centre can be granted/re-granted the label as a CLARIN B-Centre, give a general comment, and perhaps list remarks that has to be improved or optional suggestions for improvements.

All centres have the option to clarify the points mentioned below by short statements to the Chair of the CLARIN Assessment Committee and to the chair of the SCCTC in case that the remarks or corresponding evaluation results are not agreed on.

For this round one centre applied for re-granting:

- CLARIN.SI Repository for Language Resources <https://www.clarin.si>

And one centre applied for granting the B-centre label:

- ZIM Centre for Information Modelling - [GAMS Humanities' Asset Management System](#)

Result of assessment:

The CAC recommends re-granting the CLARIN.SI Repository for Language Resources <https://www.clarin.si> the status of a CLARIN B-Centres when the CoreTrustSeal is re-granted.

The CAC recommends granting the ZIM Centre for Information Modelling - GAMS the B-Centre label when they fulfil the criteria listed in section 3 below.

The evaluation of B-Centres will be valid for three years from the date the CTS is achieved, as the centre is in the assessment process of the CTS. However, reassessment might be needed before the three years has passed if changes in the requirements in the meanwhile are agreed on within the SCCTC.

2 CLARIN.SI

CAC recommend certifying the following centre as CLARIN B-Centres when it fulfils the following criteria:

- The CoreTrustSeal is re-granted. Please inform the CLARIN Office when you get the CoreTrustSeal.

Other remarks:

- None.

¹ [CLARIN B Centre Checklist version 7.3.1 2019-30-09](#)

3 ZIM Centre for Information Modelling - GAMS

The CAC finds that the resources the centre provides are most easily browsed using the VLO, as the web site of the repository is difficult to navigate for new users and the landing pages are difficult to understand when using the English language option. But a user interface is not a strict requirement to achieve the B-Centre label. However, GAMS has stated that it is the plan to improve the access to the repository.

The committee notes that the centre has stated that all planned resources will be openly available under a Creative Commons CC-BY or CC-BY-NC license. Therefore the committee accepts the absence of SAML/AAI login options.

The committee recognizes that the CoreTrustSeal has been already achieved!

The committee recommends granting the ZIM Centre for Information Modelling - GAMS the B-Centre label when they fulfil the following criteria:

- Clarify to users – using the English interface option - how all resources can be openly downloaded in their TEI representation.

Other remarks:

- None.
